

## AMIS Plus Newsletter No. 64 – January 2022

Dear AMIS Plus Participants & Sponsors

On behalf of the AMIS Plus Steering Committee and the Data Center Team we wish you all a happy, healthy and successful New Year!

### AMIS Plus Hospital Sponsors

A special thank you to our AMIS Plus hospital sponsors who generously waived compensation and thus provided the data collected by the study nurses and physicians at no cost: **Hôpital de la Tour, Luzerner Kantonsspital Luzern, Stadtspital Zürich Triemli, Kantonsspital St. Gallen and Kantonsspital Uri.** We are very grateful for this financial support.

### INVITATION

We are very happy to invite you to the

### AMIS Plus Sponsors & Participants' Meeting

taking place via Zoom on

**Thursday, 24 February 2022 from 16:30 - 17:30**

Please register via email at [info@amis-plus.ch](mailto:info@amis-plus.ch) to receive the link

### Program

1. AMIS Plus Status - Hans Rickli
2. What has changed in the risk factor profile in patients with myocardial infarction – Marco Roffi
3. Cocaine and alcohol consumption and myocardial infarction: what can we learn from the AMIS Plus Registry – Giovanni Pedrazzini
4. Insights from the latest AMIS Plus studies – Hans Rickli
5. Discussion

We look forward to fruitful discussions with you and hope you can attend.

Please find enclosed a paper entitled “Dual antiplatelet therapy is under-prescribed in patients with surgically treated acute myocardial infarction” by Roberto et al. *Interact Cardiovasc Thorac Surg* 2021; 33(5):687-694.

Yours sincerely

For the Steering Committee:

Prof. Hans Rickli, MD  
President

For the Data Center:

Dragana Radovanovic, MD  
Head of the Data Center
